MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Request for Reimbursement of Personal Funds,  
Expended and Accounted for, in Maintenance of  
Agency Operations and Personnel Abroad

1. This memorandum contains a recommendation submitted for DD/S approval. Such recommendation is contained in paragraph 7.

2. The attached Staff Study and related papers set forth a claim in the amount of \$1,949.99 submitted by the NEA Division on behalf of [redacted] representing excessive additional costs incurred by Mr. [redacted] in maintaining his family elsewhere than at the post of his assignment.

3. The unusual circumstances and conditions which required the subject to maintain his family away from his post are described in detail in the attached papers. The circumstances and conditions resulted in the NEA Division recalling Mr. [redacted] and the closing of the [redacted] Base pending further negotiations with the cover facility.

4. This \$1,949.99 represents food and lodging in excess of the separation allowance granted and does not include medical expenses of the family nor an approximate \$800 loss incurred by Mr. [redacted] in connection with the shipment of foodstuffs to the Base.

5. The attached claim has been reviewed in detail by Mr. [redacted] of the Office of the General Counsel who has indicated no legal objection to the processing of this claim to the DD/S for determination under Regulation [redacted]

6. It is felt that the excessive personal expense was incurred by Mr. [redacted] as a direct result of circumstances surrounding his assignment to [redacted] over which he had no control and which have resulted in a personal hardship.
